## Survivors **THRIVE** Grant Program™

JUST \$1 A WEEK...

...Helping Survivors Maintain Life After Treatment

We at the Mama Mare Breast Cancer Foundation are so excited & proud to announce our very first grant program! *The Survivors Thrive Grant Program™* was created to provide financial assistance to breast cancer survivors post-treatment. The medical bills one can incur from breast cancer surgeries, treatments, etc. can be an enormous burden and extremely overwhelming—factors that can impair a survivor's full recovery. We want to help provide financial relief by providing a grant to one survivor each month.

In order to do this, we're asking all of our supporters to pledge just \$1 a week and we will conveniently auto-charge your credit card at the end of each month. By everyone doing their small share, we can make a HUGE difference in the lives of those around us who have had to battle this terrible disease.

Please enroll today by completing the reverse side of this card and returning it to the address indicated. Please don't hesitate; see just how simple and rewarding "Helping Survivors Maintain Life After Treatment" can really be!
